Victoria and its Metropolis – Past and Present

Volume I of this book was edited by Alexander Sutherland, MA, with 250 illustrations, and was published in 1888 by McCarron, Bird & Co., Melbourne. It contains 12 preliminary pages and 594 numbered pages

Volume II, published in the same year, has a sub title *The Colony and its People* in 1888. It is compiled with contributed papers from six different people. It contains 12 preliminary pages and 822 numbered pages.

Both volumes contain historical details which mention many people and also 7642 biographies. It was the biographies that BDA copied, with the kind permission of Gould Genealogy, from their CD version.

BDA then cross indexed all persons mentioned in those biographies resulting in 15,506 entries. The full biographies are reproduced on the BDA website and the cross indexed people, as well as the subject of a biography, can be searched for in the BDA index.

Many of the biographies in the book and on the CD include a picture of the subject and they should be consulted.
