Clergy List 1878

This list was originally published in the book *Australian Dictionary of Dates and Men of the Time: containing the History of Australasia from 1542 to May, 1879* by J H Heaton, published by George Robertson, Sydney, 1879.

The book has two parts and the Clergy List runs from page 57 to 61 in Part II. It includes clergy of all denominations throughout Australia and New Zealand, listing name, religion, location and in many cases degrees.

BDA has transcribed this list of 2259 individuals into a Dataset which is now online.
